Mr. Barclay Acheson  
 The Reader's Digest  
 Pleasantville, N. Y.

Dear Mr. Acheson:

Thank you very much for your kindness in sending me the report from Andre Visson. As you undoubtedly know, Andre Visson and I had several interesting talks before he left, and he said he would ask you to forward on to me anything which he sent in that he thought might be of interest.

Again thank you for your kindness.

Sincerely,

*Sept 8-48*
